Why ComplyWatch?

**Clarity about law
changes enables
preparedness**

“It gives me a feeling of safety – that I’m not missing anything. I know things aren’t falling through the safety net.”

Shaan Ross
Regulatory Manager, Aurora Energy

“We need to have the opportunity and time to put in submissions on things that will affect us. Also, knowing what the effects will be and getting advance warning is very useful.”

Jenny Beale
General Counsel, Electra

“The ComplyWatch service does something that would take me so much time to do myself - it helps us get people in the business thinking ahead. ...It simply enables you to go from being reactive to being proactive.”

Jennifer Goldsmith
General Counsel, Ravensdown

What does ComplyWatch give you?

We track the law change processes relevant to your business

- Our legally trained and experienced team report developments in the ComplyWatch Portal.
- Helpful summaries about what’s going on
 - Access to the useful documents
